CITY OF COLORADO SPRINGS

January 18, 1994

Mr. Lee Griffen
Environmental Health Services
El Paso County Health Department
301 South Union Bld.
Colorado Springs, CO 80910-3123

SUBJECT: Renewal of Revokable Permit - 3710 Wind Dance Lane

Dear Mr. Griffen:

The Wastewater Department of the Colorado Springs Department of Utilities has reviewed the Application for Permit to install an Individual Sewage Disposal System at 3710 Wind Dance Lane from Frank L. Valen.

This is to advise you that the public sewer is within 400 feet of the subject property, and a wastewater mainline is existing in Old Stage Road, approximately 370 feet north of the subject site. Since this property is located in the County the Department has no objections to issuing a revokable permit if the installation meets all of the El Paso County requirements for installation of individual sewage disposal systems. The owner can request service from the City by appealing to City Council through the Wastewater Department.

If you have any questions or if we can be of further assistance please feel free to call.

Sincerely

Dennis T. Cafaro

Director (
